

# ConferMED Advancing Health Equity Project

ConferMED is pleased to announce an **exciting initiative** to advance health equity through specialty care eConsults.

The **ConferMED Advancing Health Equity Project** brings specialty care to targeted regions across the country, expanding access for underserved populations. Working together, we can break down barriers to care, ***making a healthier future accessible to all.***

## Project Features:

- Covers **implementation and two years of specialty eConsults** for ALL patients
- Eligibility—All **FQHCs** in the states of FL, IL, MA, MD, TX, and Los Angeles County, CA
- Includes **eConsults for all common adult and pediatric specialties**
- eConsults are returned in **approximately two business days**

Complete a brief application to **SIGN UP TODAY!**

## For more information:

Contact **Agi Erickson** via email at **[Agi@chc1.com](mailto:Agi@chc1.com)** or by phone **(860) 622-1667**

Funding is provided by the **Quest Diagnostics Foundation** as part of the **Quest for Health Equity (Q4HE)** initiative.
