▶ Logging into ConferMED's portal is easy!

By following the steps below, you can find all of your eConsults and communicate regarding those eConsults. Be sure to bookmark or favorite ConferMED's portal so that it is easy to find on your computer.

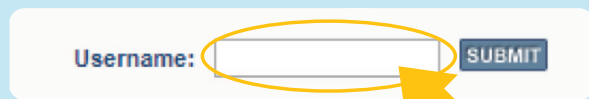

Logging in for the first time:

1. Go to www.eConsultUSA.com and click on **Forgot Password**.
2. Enter your **username** which is your work email, ***all lower case***.
3. You will receive an auto-generated **temporary** password via email from Help@ConferMED.com.
Copy and paste the temporary password to login.
4. For Multi Factor Authentication, select your email address then select **Request Code**.
A code will be sent to your email.
5. After entering the code, follow prompts to:
 - Update your password
 - Confirm your contact information
 - Review Terms & Conditions
 - Be directed to your eConsults
